Worship and COVID-19

We are making every effort to stay open, stay safe, and offer opportunities for everyone to stay connected. The COVID-19 situation is fluid; we will post updates at www.rlcjuneau.org as public recommendations and decisions are made. We worship an **incarnate** Messiah—trusting that God will continue to be present, no matter what. We hope to see you soon.

Covid Vaccinations

Even with the decrease in threat level and more community members getting vaccinated against COVID-19, RLC will continue to observe all COVID mitigation practices, including the wearing of masks. We hope you can return to worship with us as soon as you feel safe.

Worship Guidance

We are continually making adjustments to worship in keeping with local, as well as CDC and ELCA guidelines. You will continue to be able to participate in worship online. Follow the link for RLC Live! at www.rlcjuneau.org. We also gather in the RLC Sanctuary in limited numbers and with specific precautions. The RLC Covid-19 Policy with those details are available on the website. Regardless of how you choose to participate in worship, please trust that you are an important part of this community, praising together in various locations

Fellowship following Worship

RLC Live! worship attendees (actually, anyone else also) are invited join those online and those in the sanctuary for fellowship by Zoom. For more information please visit the website: www.rlcjuneau.org

Home Communion

The sacrament of Holy Communion is a precious gift of God's Grace made available to us through this community. For those who choose to worship at home, for their own health or the health of others, you can celebrate the Eucharist at home. There are two resources on the our website at www.rlcjuneau.org teaching you how to receive this gift within your household and in keeping with our faith. It does take some intentional preparation, so please check it out ahead of time, especially if you plan to celebrate at the same time as our regular Sunday, 9:30 am gathering. As always, Pastor Karen can bring communion to you—just let the office know.

Food Pantry

On Monday, March 8 22, we served **60** families and fed **148** people. We gathered 1193 pounds of food to distribute. If you are interested or are able to donate to the food pantry, the highest demands are for canned meats/proteins, canned fruit, peanut butter, and jams/jellies. Due to many individuals not having can openers, please try to locate the pull tab cans if at all possible. Whatever is shared will be valued and eaten.

Delores Birthday Challenge

Delores Graver has issued a birthday challenge to celebrate her 84th birthday. She is requesting a donation of 84 cans of peaches to the RLC Food Pantry. Please place your donations in the bin on the fire hearth in the gathering area. A sign-up sheet is available in the office.

RLC Safe Space for Schooling

At the request of school district and Haborview Elementary, the Juneau Community Foundation extended our [Resurrection Lutheran Church Safe Space for Schooling Program](#) until Spring Break. The RLC SSS program is a no-charge drop-in program for students (1st grade to 12th grade) who need school space with Internet access, instructional assistance, breakfast and lunch

Prayer Partners

Please keep in your prayers: Our March prayer Christ Our Savior Lutheran Church, Anchorage the Rasmussen, and Merrell families as they deal with health challenges; the Baker, Rorem, Larsen and Neyhart families as they mourn; our church family and council; those who are traveling, sick, mourning, going through difficult times; those serving in the military and their families, especially those from RLC; our leaders; and all of God's children.

Celebrations

Please uphold individuals who are celebrating birthdays and anniversaries in your daily prayers, including Larry Dietrick, 03/22, David Kent 03/23, Dennis Mickle 03/23
