Dear Bradley,

On behalf of Food Bank of Alaska and our grant review committee, I am pleased to inform you that your project proposal for the Infrastructure for Alaska's Food Bank Network grant opportunity will be funded at \$23,397. Allowable grant expenditures include the following:

Any combination of project components

Food Bank of Alaska partnered with several external organizations and funding partners to review applications and make final determinations. As you may have expected, we received a significant number of applications, and were only able to fund a fraction of the worthy projects we reviewed. If additional funding is needed for this project, we encourage you to explore other funding opportunities, such as Rasmuson Foundation.

Thank you for the time and effort you committed to submitting your application, and for your efforts to address food insecurity in our state. We ask that you acknowledge your acceptance of this grant no later than November 30, 2022 here:

https://foodbankofalaska.formstack.com/forms/infrastructure_grant_acceptance_rejection_confirmation

A full grant agreement will be provided in December 2022. A signed grant agreement **must** be in place before spending any grant funds. If you have questions in the meantime, please reach out to grants@foodbankofalaska.org.

Congratulations on your award!

Best regards,

Jim Baldwin
